

HOCKEY PEI MEDIA RELEASE

For Immediate Release
March 16, 2011

Communities get set to host the 2010-2011 Provincial Hockey Championships.

Excitement is in the air as Minor Hockey Associations across the province get set to host the 2010-11 Provincial Championships beginning this Friday. All 'A' level leagues, Atom AAA, and Midget AA Female along with the Midget AA Male Wildcard Tournament will compete this weekend March 18-20th. All 'AA', Recreational level and Atom Female leagues will compete the following weekend of March 25-27.

Congratulations already go out to the Summerside Pee Wee AAA team for capturing their provincial title this past weekend.

This year Hockey PEI was very excited to provide league standings through its Goalline webpage. Provincial standings will also be available so look for your team updates at www.hockeypei.goalline.ca

Hockey PEI encourages Islanders to get out and take in some great minor hockey action and show support to their local players, volunteers and communities. Best of luck goes out to all teams, players, and host communities as they get ready for the 2010-11 provincial championships!

Complete schedules can be found at www.hockeypei.com
